

# ACLE VILLAGE MASTERPLAN

## CONSULTATION EVENT

Come and tell us what you think about your village.

Saturday 3rd November 2012

10am until 2pm, Acle Church Room, Norwich Road

The Acle Village Team (made up of representatives from Acle Parish Council, Broads Authority, Broadland District Council and other local stakeholders) with help from Ingham Pinnock Associates are pulling together a Masterplan for the Village and its hinterland. This Masterplan will look at how the Village Team can support the community and businesses to continue to prosper and flourish. To inform the Masterplan, we are holding a consultation event on **Saturday 2nd November from 10am until 2pm in Acle Church Room, Norwich Road (opposite Budgens). We would like as many people to attend as possible from the Village and surrounding area to help us identify the strengths and weaknesses and discuss issues of importance to you.**

The event is part of wider consultation and research being undertaken. Once complete, Ross and Kate at Ingham Pinnock Associates will then work with the Village Team to develop a set of practical recommendations and projects that can be delivered to help Acle and its surroundings continue to prosper and flourish.

If you have any other questions or queries, please contact Kate Pinnock or Ross Ingham on [kate@inghampinnock.com](mailto:kate@inghampinnock.com)/[ross@inghampinnock.com](mailto:ross@inghampinnock.com) or 07827 240 059/ 07974 363 991 or visit [www.inghampinnock.com/acle-village-masterplan/](http://www.inghampinnock.com/acle-village-masterplan/) where there is further information on the project and you can sign up to the newsletter.
