

Reepham Economic Strategy

Consultation event

Come and tell us what you think about the economy of your town

Saturday 2nd February 2013

10am until 1pm, Bircham Centre, Reepham Market Square

The Reepham Town Team (made up of representatives from Reepham Town Council, Broadland District Council and other local stakeholders and groups) with help from Ingham Pinnock Associates are pulling together an Economic Strategy for the Town and its hinterland. This Strategy will look at how the Town Team can support the community and businesses to continue to prosper and flourish. To inform the Strategy, we are holding a consultation event on **Saturday 2nd February 2013 from 10am until 1pm in the Bircham Centre, Market Place, Reepham. We would like as many people to attend as possible from the Town and surrounding area to help us identify the strengths and weaknesses and discuss issues of importance to you.**

The event is part of wider consultation and research being undertaken. Once complete, Ross and Kate at Ingham Pinnock Associates will then work with the Town Team to develop a set of practical recommendations and projects that can be delivered to help Reepham and its surroundings continue to prosper and flourish.
