

Drayton Neighbourhood Plan

Public Consultation

Thursday 8th May: King George V Playing Fields, 4pm to 8pm

Friday 9th May: Bob Carter Centre, 4pm to 8pm

Saturday 10th May: Thorpe Marriott Village Hall, 10am to 2pm

The Drayton Neighbourhood Plan Working Group would like to invite residents of the village and surrounding area to the first in a series of public consultation events on the Drayton Neighbourhood Plan. In order to try and make it as easy as possible for residents to attend, the programme of consultation events will span three days and take place at three different locations around the village as detailed above.

Each open-session will take the same format and all are entirely informal and designed to allow residents to drop in to share their thoughts and views.

These consultation events are the first in a number of similar sessions due to take place over 2014 to allow everyone to have their say in the future of Drayton. We would be delighted if you could spare some time to come along, learn more about Neighbourhood Planning and start to tell us your views on how you want Drayton to look in the future and how we need to be guiding any changes.

It is vital that the Neighbourhood Plan reflects the views and aspirations of the local community and so we encourage you to attend or follow its progress.

Further information:
